QUADRANGLE

LAGRANGE COLLEGE LaGrange Georgia

LaGrange College . . . buildings . . . bricks . . . landscape . . . but more, a growing community of PEOPLE . . . students, faculty and staff . . . working together . . . learning together.

## TABLE OF CONTENTS

There are occasions when People enjoy each other's company . . . and each other's efforts . . . on stage . . . on the basketball court . . . over a circular puzzle . . . at a quiet vesper service . . . on a state-wide youth project . . .

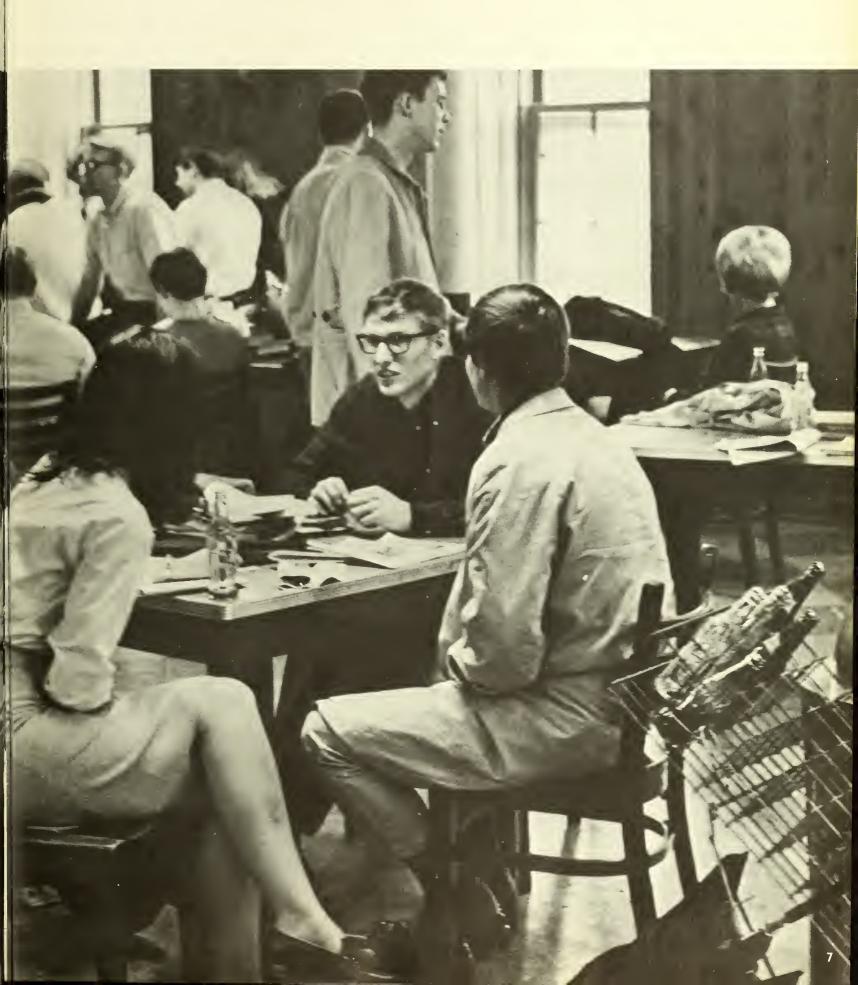

But there must be a time of leisure . . . a time for People to relax . . . a time to talk with other People . . . over a cup of coffee or a coke in the student center . . . between quarters at the Panther's basketball games . . . or just to think in the midst of a crowd . . . or to be completely alone to catch up on last night's lost sleep.

Making friends and sharing experiences . . . choosing other special People who will be close associates throughout life . . . supporting fellow students and the basketball team . . . People just letting go . . . and taking time to live . . .

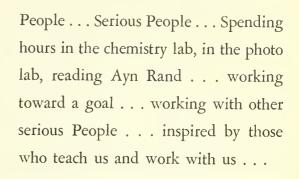

The night brings a time for fun . . . a time of laughing and talking . . . the night also brings a time of reflection . . . a time for People to walk alone in the darkness . . . to escape from other People . . . a time to fall in love . . .

The experience and meaning of college . . .

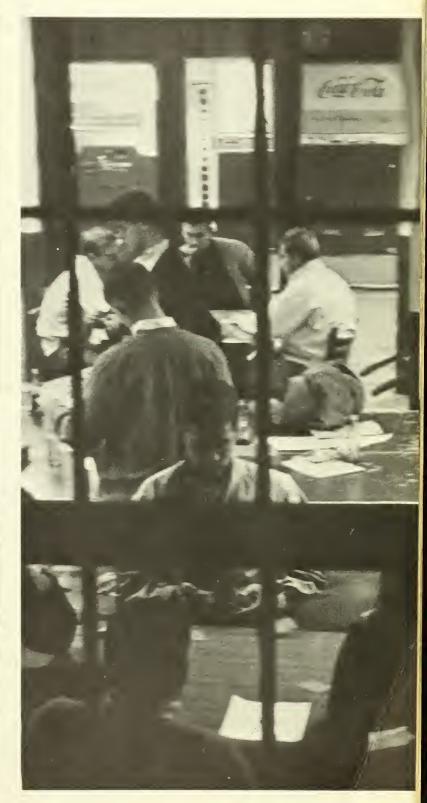

brought alive by People

## A Dedication

a dedication to a man . . .

a man with a lonely job . . . a man who carries
a gun . . . but always has a smile . . .
a man who is always there . . . because of his
genuine interest in the student body . . .
a man who believes in LaGrange College . . .
who knows LaGrange College . . .
and is an indispensable part of LaGrange
College . . .

## "Doc"

Mr. Oscar Pope

It was Fall Quarter 1965 . . freshmen were being oriented into the life of LaGrange College . . . long lines . . . registration . . . meeting new people . . . new roommates . . . new friends . . . testing . . . dances . . . letters from home . . . calls from sweethearts . . . rat masters . . . big sisters . . . rat court . . . all in becoming a part of LC.

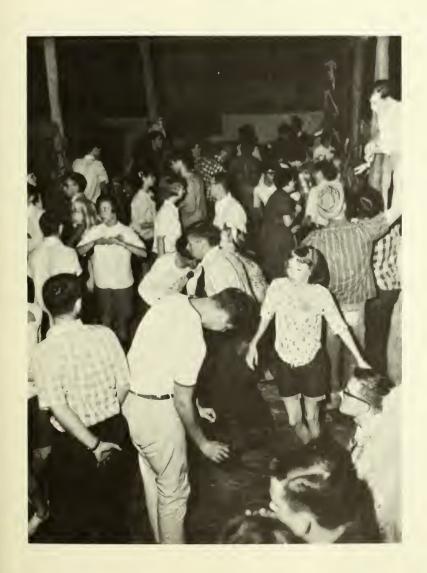

Brothers and sisters working hard on decorations, displays, entertainment ... rushees meeting rush personalities ... go-go girls ... beach parties ... barn dances ... meeting more people ... a rose-drama ... a road trip ... a slave sale ... a swim in the Moose Club lake ... making decisions ... forming new loyalties ... and memories of LC.

Hours of preparation and planning ... high hopes for sunshine—but last minute repairs on rain soaked floats instead ... then the big Day, Homecoming, November 6, 1965 ... a flood of Alumni ... young and old ... class of 18 ... The parade ... Sigma Nu wins again.

Judging of the twenty beautiful Homecoming Queen candidates
... last minute make-up ... nervous excitement ... the big moment ... crowning the 1965 Homecoming Queen, Suzanne Forbes
... the dance ... Bill Black's Combo entertains a big crowd ...
Then it's all over ... the excitement gone ... things get back to normal.

Student art shows ... music and voice recitals ... presentations by the Curtain Raisers ... "The Importance of Being Earnest," "Royal Gambit," "No Time for Sergeants," and "Once Upon a Mattress" ... All added to the entertainment and social activities on campus.

LaGrange College is a place where students . . . eat hamburgers . . . watch fraternity football . . . drink gallons of coffee . . . play bridge . . . study . . . cut classes . . . go to dances . . . support the basketball team . . . and stand in long cafeteria lines.

Registration . . . a test of nerves and endurance . . . endless lines . . . pushing, shoving, waiting . . . The Arthur H. Thompson Lecture Series . . . hours in the gym, then group meetings with Dr. Calder . . . students sitting, listening, learning, thinking . . .

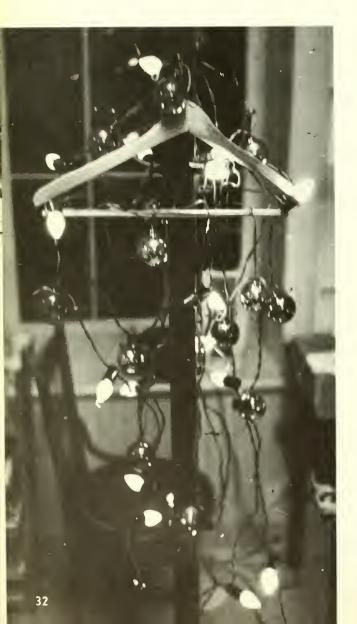

Fall Quarter draws to a close . . . a dread of exams . . . students take advantage of every opportunity to study . . . the anticipation of the long awaited Chrismas holidays . . . make-shift trees . . . Christmas decorations . . . carols . . . the traditional hanging of the greens . . .

Stunt Night . . . practice, costumes, imagination, originality, chants, and laughter—all combined as classes compete for the WAA trophy . . . Seniors judge faculty members . . . Juniors stress "the importance of being sincere" . . . Freshmen read dramatically through confusion . . . but Carmen and the Black Swan steal the show and the Sophomores win again!

Then at the end of January we had days, weeks ... of cold, rain, ice, and snow! Warm coats ... boots ... umbrellas ... getting snowed in on weekends home ...

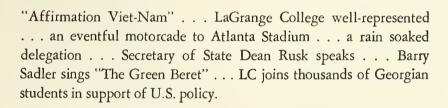

The Quadrangle Dance and Show featuring the Tams and the Kommotions . . . fun . . . crowds . . . laughter . . . dancing . . . excitement and anticipation . . . lead to the crowning of The 1966 Quadrangle Queen, Jane Jenkins.

College is a time for fun . . . a moment to relax . . . a moment to be oneself among others . . . laughing . . . talking . . . togetherness.

### Alpha Kappa Theta

Alpha Kappa Theta is the oldest sorority on the hill, having been founded in 1906 with the purpose of promoting a spirit of friendship and sisterhood among its members.

## Pi Belta Kappa

Sigma Nu Pi

Sigma Nu Pi is known as the "Black Knights" for which the fraternity was named years ago. Along with heritage, the fraternity endeavors to follow the traditions of knighthood as established in the Crusade Era. In addition, Sigma Nu Pi promotes the qualities of this tradition such as chivalry, sportsmanship, manliness, being a gentleman at all times, and displaying an attitude of a Christian person. The motto of Sigma Nu is "Body—Mind—Spirit" which, in every implication, seems to summarize the foundation on which the fraternity is based.

### we create superior **TEXTILES** for many end-uses

Supplying fabrics for a great variety of end-uses is nothing new to us. Hardly an American industry exists for which our people have not developed and produced fabrics, of both cotton and man-made fibers. Whether the needs are for fabrics that combine with plastics, rubber, metal, and other materials... or for fabrics to fashion delicate lingerie, comfortable sportswear, and durable workwear, our specialists and facilities supply the answers. West Point-Pepperell's woven, nonwoven, and tufted products number in the thousands, including such well-known brands as Lady Pepperell\* sheets, pillowcases, and blankets, Martex\* towels, and Cabin Crafts\* rugs and carpets. Our resources include 19,000 employees, 26 manufacturing and finishing plants, 14,000 looms, 675,000 spindles, and more than a century of textile experience.

Well, it's over . . . Done!!! We finally finished our "DAMN ANNUAL". And I think it's a good annual. I'm proud of it anyway.

We've got full color in it—for the first time in the history of LaGrange College. Also more pages than any annual before us. By the way we sold 480 copies, a record also, I believe.

We had some disappointments along the way but now that I look back they weren't important at all.

The Quadrangle Office became home for my staff. And we have so many good times to remember—hanging ash trays and mobiles—pictures of the walls—the scooter—Saturday night sex talks—"Hell" and our other canine friends—

Many thanks are due my staff for all the help they've given me. A very special thanks to Drue who deserves as much credit as I do. Another special thanks to Stacy for making our use of color possible. John was so dependable that I never had to worry about his sections.

And I want to give Rod a big "thank you" for shooting our color pictures; to Cathy for our cover design and to Judy for *all* the help she gave me with the copy. But my biggest thanks goes to Bill Baker for working miracles!

Thanks go to these and many others for getting THE 1966 QUADRANGLE to the publisher on time.

Linda Long
